## What's involved?

PEAK members will be involved in all areas of Camp Clayton's business and ministry. Catering, Maintenance, Activities, Meal Hosting, Administration, Ministry and Holiday Camps.

Retreats and wilderness out-trips are an important element of the program, as are other fun, team building activities that will help you see God in new places.

Special guest speakers and digital content will be arranged on a range of interesting and diverse topics throughout the year to encourage growth in thought and understanding.

Opportunities will be provided for PEAKIES to explore different ministries and ways to expand God's Kingdom, while embracing their own unique gifts and talents.

PEAKIES will be expected and given training to lead groups, organise schedules, plan events and camps, while learning other valuable life and work skills.

Each PEAK member will be given space and guidance to explore their place in God's plan and in His accepting love, while being encouraged to develop areas of growth.

## Peak stands for
